

In late 2011 GMS Rehabilitation were successful in becoming the main distributor for the Levo range of both power and manual chairs throughout Victoria. Each wheelchair within the Levo range is designed from the experience of nearly 30 years of research, development and client response. LEVO is proud to offer wheelchairs that combine seating and standing positions matched to clients unique biomechanical dynamics with superior manoeuvrability, size, weight, aesthetics and adjustability all of which GMS are proud to support. All models are reviewed and certified by internationally approved testing institutes.

This in combination with over 20years business experience that GMS have within the field of Rehabilitation Medical equipment supply and maintenance within Victoria meant that GMS were perfectly placed to provide the relevant sales support and maintenance for the Levo range of equipment.

GMS Rehabilitation and its sister company Free To Smile are well placed throughout Victoria (Lynbrook, Geelong, Traralgon and Shepparton) to provide sales support as well as maintenance for the entire Levo range and powered and manual chairs. So you any of your client's need maintenance for their existing Levo chair or indeed have enquiries with regards to the Levo product range please feel free to contact please GMS Rehabilitation on 1300 734 223 or Fax on 1300 734 553
