

PremimLift

Tilt Top

One Handed Operation

Side Rails

Multipurpose Overbed Table

Round Base

Locking Castors

The **PremimLift** overbed table unique design allows the table top to be easily lifted without having to operate the control handle.

- One Handed Operation
- No bending is required
- Large tilting section and a small fixed section for items that need to be kept level
- The modern c-base is extremely strong and durable
- The surface is smooth, non-absorbent and free from gaps making it easy to clean

Technical Specifications

Tilt Area	385mm x 560mm
Fixed Area	250mm x 385mm
Tilt angles	0°/18°/25°/32°/38°/43°
Table top	Thermoform
Frame	Powder Coated Steel
Height range	785mm to 1050mm
C-Base length	610mm (internal)
Maximum load	20 kg (Evenly Distributed)
Castors	4 x 50mm, 2 x Lockable
Table top colour	Beech
